a collaboration with [Coins](#), was featured on Rimmel London's Moisture Renew Lipstick campaign) and producer/musician Doug McCourt, aka Fauxplay have recently teamed up to present us with a sneak peek of their pulsating new dance-pop track titled "In Control", which also serves as the first single to be lifted from their forthcoming collaborative album, **EAT IT UP**, scheduled for release on May 20th. With 80's electro bass and hooky synth lines, "In Control" darkly drives a catchy déjà-vu backdrop for DOLLS' trademark lyrical juxtaposition - this time threatening listeners with a gritty, but blasé kind of true love.
